Special Israeli Menu

תפריט ישראלי מיוחד

*Today, for our special new Israeli customers only, we offer a once-in-a-lifetime opportunity to choose from the very finest dishes we have ever served...
bon appetit!*

RUTHIE RHUBARB

Truly rare and unique. Sweet, enticing, sensitive, but with real zest and zing. Too special by far for the average guy! A tantalizing marriage of the Tangy with the Teutonic. Spectacular & unforgettable alone, yet best savored in combination with another of our fine dishes.

**Expensive...but
worth it!**

VEGGIE SHISHKA-BOB

Sharp, acerbic, just slightly fruity, yet geshmak. A dish you can rely on. Pleasing to the palate, yet occasionally prickly. Complex yet strangely unfulfilled alone, even while it makes you beg for more. Needs something to compliment it... hmm... see below!

**Can be had for
less than you
think!**

RU-BOB COMBO PIE

Our Piece d'Resistance! Highly recommended. An exquisite symphony of wonderfully dissonant styles in which the above two delicacies become one and find their completion. This dish is guaranteed to get even better with time!

Priceless
